

Chat Groups AI — \$CHATG Pitch Deck

Smarter Chats, Stronger Communities

■ Vision

Chat Groups AI is building the #1 AI-powered ecosystem on Telegram, helping communities grow, trend, and monetize. \$CHATG is the utility and rewards token powering the platform — unlocking crypto tipping, premium perks, mini games, and staking battles.

■ Problem

Telegram communities struggle to stay active and monetize. There is no integrated system combining AI, gamification, and crypto to fuel engagement.

■ Solution

Chat Groups AI Bot brings text, image, video, and music generation into Telegram groups, alongside crypto tipping, VIP perks, and AI-powered mini games. With \$CHATG, users can stake against others in skill-based AI battles to win more tokens, while also unlocking exclusive features.
